What are Bigs & Littles Dances?

Bigs & Littles Dances are a great opportunity for parents and parent-figures to bond with your dancer in a fun and rewarding way! Adults and kids ages 4 and up learn and rehearse a dance together that they will perform as a group in the Pacific Motion Dance Center Recital 2024 on June 15th, 2024

When is the deadline to sign up?

The deadline to sign up and submit payment is February 28th, 2024.
Please sign up online at www.pacificmotiondance.com/bigslittles.

When and where are rehearsals?

Studio rehearsals are held on specific Fridays from March through May. See page 3 for the complete rehearsal schedule. Friday rehearsals will be 45-60 minutes long (depending on age and group size). You will be given a rehearsal start time between 5:30 and 7:45pm. Younger dancers will be scheduled first.

Rehearsal time slots will be sent out on or around March 1st.

Competition Team Juniors, Pre-Teens and Teens, your rehearsals will be on Saturdays (45-60 minutes). Please see page 4.

What are the fees involved for Bigs & Littles Dances?

Rehearsal fees are \$175 per couple, \$75 per additional child for the same dance (siblings must be in the same age category and group). Dancers will assemble their own costumes. Bigs & Littles fees are due by February 28th.

Am I required to attend every single rehearsal?

We recommend not missing rehearsals. It greatly benefits you and your child to attend as many rehearsals as possible so that you don't miss choreography.

However, attendance at all rehearsals is not required to participate.

Dress rehearsal is required.

Is there a costume fee required for the performance?

No, dancers will assemble their own costumes.

When & where is the dress rehearsal?

Dress rehearsal is Thursday, June 13th at the Ritz Theater in Escondido.

Is there a family discount?

If two siblings are participating in the same dance, the second child has a \$75 rehearsal fee.

If siblings are participating in two different dances or a child is in two dances with different parents, there is no discount. Siblings must fall in the same age category to be in the same dance.

Are there any special requirements to participate in Bigs & Littles?

Dancers and families must abide by all Pacific Motion policies. Tuition accounts must be current. Dancers must be enrolled in at least one dance class at Pacific Motion to participate.
